**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a long-time customer of Sonic.net and we choose their service because it is personal (a real person answers the phone when we call them!) and consistent and Local and affordable.

NO to increasing price hikes for our internet and phone services!!

We need the internet and phone connection to our home because we both work from home and their service is necessary to our well being.

Local broadband is critical to our home and our survival. Do not deny us this service option and do not increase our prices!

Thank you.
